I have a draft will send today

I provided input to Meltzer yesterday on her list.

I will look at the referenced attachment.

Please send referenced attachment and I can try to help update it concurrently and as a priority

We asked Kay for a staffing plan yesterday so we can capture the new people deployed in field and EOC since this one was created. As soon as we can reconcile to what we have we can create new list but it will be a continual thing.

If they will be assigned to both, their name will need to show up on each spreadsheet.

Will do. If the OSCs may potentially work on both, do I need to put them on both spreadsheets or one?

Barbara,

Please provide a "separate spreadsheet" for each of the emergency responses actions. One of the spreadsheets is going to be sent to R8 and the other will be handled by R9. Region 8 is asking for this information ASAP.

Hi Rosemary,

Attached is a spreadsheet of all the folks working on Typhoon Soudalor and the Gold King Mine ER. Please let me know if you can provide the EMPLID for them or let me know where I can go to get the info.

Thanks!

Ok. I'll put the names that I sent to Anabel but I'm not sure where I have access to get their EMPLID.

Rosemary,

Is the EMPLID something you can help me get?

Thanks!

I just spoke with the R8 HR Director and confirmed that Region 8 is taking the lead on this. Region 8 requested a spreadsheet listing all employees you plan to deploy in a spreadsheet. The spreadsheet should include the Employee's Official Name and EMPLID. Once I have the spreadsheet. I will have the DRA to approve the list.

One is for the Region 8 incident that is affecting us. Region 8 told us to make the request for the waiver independently of theirs.

The other is for the Typhoon Soudelor response that started last week.

Are these two emergency response events not related to the Region 8 emergency? I'm asking because I need to determine if those requests go to R8 or HQ.

Hi Vicki: I see Andrea is out. We need to do pay cap waivers for personnel involved in two emergency response events we are managing. Can you send me the paperwork and instructions for this?

Harry usually does them, but he's quite swamped right now. Thanks.
